“Connection to Reality” Prizing at Continuum Design Consultancy

Max With “Home Dome”

Max Presented With \$10,000 USD Award

A screenshot of the Yahoo! homepage from February 27, 2009. The page features the Yahoo! logo at the top, a search bar, and a navigation menu. The main content area is titled "Featured" and includes a story about a 12-year-old boy who designed a shelter made of trash. The story is titled "Boy makes home from trash" and includes a sub-headline "A 12-year-old designs a shelter made of plastic, wire, and packing peanuts." The story also mentions that the boy won \$10,000 and that his shelter could become a luxury hotel. The story is highlighted with a red box. Other news items include "Injured good Samaritan ticketed for jaywalking", "12-year-old wins contest with home made of trash", "Why private Aniston brought Mayer to Oscars", and "Obama's 2010 budget plan to cost \$3.55 trillion". The page also features a "Check your mail status" section with links for Mail, Messenger, Puzzles, Weather, Events, and Horoscopes. A large advertisement for Verizon FiOS is visible on the right side of the page, with the text "BEST HI QUALITY.. Electronichouse.com, 12/19/20".

On February 27, 2009, Yahoo ran a story on Max on its homepage: www.yahoo.com
