## Unleash Your Locker Challenge

By Kids For Kids (BKFK) is partnering with Global Entrepreneurship Week/USA to present a fun and rewarding opportunity for our youth with the Unleash Your Locker Challenge.

This no holds barred open submissions competition asks for the original ideas, inventions and innovations of any youth between the ages of 5 and 23 living in the United States or Canada.

The competition runs until Oct. 31, 2008, and all entries must be received online via the BKFK website, [www.bkfk.com](http://www.bkfk.com). Judging criteria will include four main parts: originality of concept, broad appeal, development of idea and feasibility of implementation.
